Through learning, teaching and caring we achieve together.

I hope everyone has managed to have a relaxing half-term. During this time, the staff have been busy putting in the relevant changes to school. Although it is nice to have the sights and sounds of children back in school, it is a very different place to what we were used to before 'Lockdown'.

Thank you for those who have been in touch during the last couple of weeks, asking for a place for their child either as a key worker or Nursery aged. The 'Bubbles' we have created are now nearing or at capacity. If you require a place for your child and you are a key worker, please get in touch and we will do all that we can to accommodate, but you may have to be placed on a waiting list due to demand and available staff. We will be reviewing our 'Bubbles' every 2 weeks. We need to share with you the procedure if we need to close a 'bubble' at short notice. You will be contacted before 8.00 a.m. on the morning your child is expected at school.

Learning packs are being produced for those with no or limited computer access. There is no expectation of printing all the pack off. Can we please remind families that packs are designed to be viewed online, with the children recording work in their homework or note books.

Please do not feel that the whole pack needs to be completed. It can be emotionally stressful completing the whole day for Maths and English. Feel free to select parts of the day, or ask your child to complete other work, such as BBC Bitesize, T.T. Rockstars or Pobble. Some families have even set up their own 'Zoom groups' so children can work together.

If there is any change to the guidance, we will be in touch. In the meantime, teachers are still contactable through their school emails. However, the staff at school are now looking after 'bubbles' so their time when they are available to communicate with families has been reduced. They will try and answer any emails as soon as possible.

'HAPPY VIDEO'

A huge well done to the Year 6s who took part in the 'Happy' lockdown video. The final product is absolutely amazing and we have had such lovely comments from parents and staff. A tremendous thank you to Kate Deadman (Mitchell's Auntie) who gave up her time to edit the video.

LEAVERS HOODIES

We would like to say a huge thank you to the PTA for buying our Year 6 Leavers hoodies this year. They look great and the children are thrilled with them.
