HOMEWORK/ON-LINE LEARNING

Over the last couple of weeks, we have been working on all children in Y1 - 6 having access to Microsoft Teams. This will allow us to provide good quality provision even if a class bubble or the whole school has to close.

All children should have brought log-in details home and, as a trial, we are publishing next week's homework via this platform. This will also reduce items being shared between home and school.

Please could you remind the children of the message the teachers have been giving - that is Teams is not to be used to 'chat' with friends; it is to share work with the class.

Also, on the point of on-line learning, you should have received a 'survey monkey' via our admin email which asks you about aspects of on-line learning. Please complete this as it will enable us to build a picture of what this provision needs to look like.

UNIFORM

Friends of the School are collecting and distributing unwanted school uniform (shoes included) with the aim to recycle, re-use and save money!

If you need uniform or have items to donate please contact Heather on heatherjcollyer@yahoo.co.uk or message the Friends group on Facebook.

PARENTPAY

Thank you to those of you who have logged onto their ParentPay account. We currently have 73% using this method. If you haven't already done so, it may be a good time to have a look on the website. It is a quick, easy and safe way to pay.

MEDICATION LETTER

To keep our records up to date and your children safe, please could we ask that you complete the medication letter being sent home. We have sent it via a paper copy to ensure that you are all able to complete it. Please return it to us by Friday 9th October.

It is important that you send it back to us even if your child does not have any on-going medical problems.

Thank you.

Closing date is Friday 9th October @12.30 p.m.

HOLIDAY REQUESTS

Please can we remind everyone that holidays should not be taken during term-time unless there are exceptional circumstances. Please make sure you request a form from the school office for completion and return before you make any plans.

MILK DELIVERY

Help to reduce single-use plastics!

We have had a request to try and get a milk round to deliver in Kirkbymoorside that uses glass bottles for milk, fresh orange and milkshakes. They will also deliver yoghurts, butter and cream, eggs and some soft cheeses.

This company is 'The Scampston Dairy' and need several orders in Kirkbymoorside to make it a viable option.

To express an interest please contact James and Michelle via phone or text on 07879611290 or by searching for 'The Scampston Dairy' on Facebook.
