Through learning, teaching and caring we achieve together.

We would like to take this opportunity to thank everyone for their positive comments. We appreciate that at times home learning is tricky, but you are all doing a fantastic job.

REMINDER - FACE MASKS

For anyone who is visiting school, please make sure you are wearing your face mask.

MESSAGING

We have recently been sending out lots of emails; unfortunately, this is a messaging service from our Management Information System Bromcom, and does not allow you to reply back using the email or text. If you wish to reply to any of the emails or texts sent, you need to contact school via admin@kirkbymoorside.n-yorks.sch.uk or direct to the teacher using their email address. Your query will be answered as soon as possible. Please do not contact staff via Facebook or Messenger.

RECEPTION STARTERS 2021

Tomorrow, Friday 15th January, is the final day for applying for a place in our Reception class starting September 2021. If you have not already done your online application, please do so as any received after this date will be classed as late and your application will be placed at the bottom of the pile for allocations. www.northyorks.gov.uk/school-admissions

ROBBIE HAWKES

Robbie Hawkes is filming some skills sessions for us - they will be uploaded onto Teams for each class. Below is the link for the YouTube clip to go with the activity for this week.

MATHS HOME LEARNING

From Monday we are looking at tweaking the Maths online learning for Years 1 to 6. Each lesson will also have a quiz attached (similar to how homework has been done since September). This will hopefully cut down on the expectations at home, as this will mark the work automatically. Attached is a crib sheet to assist this process.

Free Virtual After School Sports Club - YST

Tuesday's and Thursday's @ 5pm

The Youth Sports Trust are bringing back their virtual after school sports club! This will launch again tomorrow, and run every **Tuesday and Thursday at 5pm**, until March.

The sessions will last for **30 minutes** and will be broadcast live on the Youth Sport Trust YouTube channel. There will be a focus on a **different sport each week** - Tuesday will introduce the theme and Thursday will involve a sport specific session.

As the sessions are on you YouTube, they can, of course, be viewed at other times. I hope you will find this useful - again, for pupils both in and out of school. You can **access the YouTube channel** using the following link:

Cosmic Yoga!

A great resource, especially for KS1 pupils, is Cosmic Yoga! A great little filler activity or to break up an extended sedentary period. Link to their YouTube channel:
