Through learning, teaching and caring we achieve together.

Well, we have nearly finished our first full week and it is amazing to see how well the children have come back and adapted to the changes at school. On Tuesday, the teachers had a 'move up' session and met their new class. From Monday, the children will be with their new teacher all the time. The teachers can't wait!

Usually, in October, we have a Parents' Evening. We are looking at the best way to communicate to parents/carers regarding how the children have settled in. Once a decision has been made, we will be in touch.

NEW GUIDANCE

Keep an eye out tomorrow for the new guidance relating to if your child is poorly. This will come as a separate email.

Please can we remind everyone that we expect parents to contact school regarding any absences.

YEAR 6

Guidance was sent out to all Year 6 parents last Friday regarding applying for a place at a secondary school. Please note that you must submit your application by 31st October. Late applications will be put to the bottom of the list.

Paper application forms are available by contacting school admissions on 01609 533679 or by emailing schooladmissions@northyorks.gov.uk

SCHOOL LUNCHES

Tomorrow's lunch will be sausage roll and chips or a sandwich choice.

P.E. KIT

From next week, please make sure your child has their P.E. kit at school; the children will take these home on Friday to be washed.

YEAR 1

Now that the children have got settled in to their new classrooms, please could we ask parents of children in Year 1 (Portakabin) to say 'goodbye' at the bottom of the ramp. Thank you for your co-operation.
