Through learning, teaching and caring, we achieve together.

PHOTOGRAPHY COMPETITION

Please submit your entries for April to friends@kirkbymoorside-rlt.co.uk – don't forget to include your name and year group.

This competition is run by the Friends of school each year. They pick out 1 or 2 pictures each month to be included in a calendar that will be produced for 2022.

We look forward to receiving lots of Spring pictures!

YOGA

Friends of KMS School have heard that some of you have had issues accessing the yoga links that were sent out last term. They don't want anyone to miss out on this fantastic free resource, so all 5 yoga sessions have now been downloaded and posted in full on the Friends of KMS Facebook page. You can now watch the sessions direct from the Facebook page, without needing to access any links. The yoga sessions are specifically for the children of KMS school, provided by Balance Rooms in Pickering, and paid for by a grant received by Friends of KMS.

JOB OPPORTUNITY

Closing date for entries is Tuesday 4th May at 12.00 p.m.

UNIFORM REMINDER

Please could we remind everyone that now the weather is warmer, leggings or skins will not be allowed to be worn in P.E.

CHALLENGE 101

Please see the attached poster regarding the 101 challenge with suggestions for you to take part in at home.

DROPPING OFF AND PICKING UP PARKING

At the moment, space is at a premium around school. Unfortunately, we are still having complaints from parents and the local community in general about where and how people are parking. If at all possible, could we ask that you walk to school. If you do need to come in your own vehicle, please be considerate and park in an area which has been a designated parking space and not on the double yellow lines, peoples drives or in the keep clear zone outside school. Thank you.

CYCLE PATH

Please support and share the Crowdfunder for a section of A170 verge path, segregated for cyclists and pedestrians. It will be around 800m long, leading West from outside Kirkbymoorside Primary School to the first Kirkdale junction. It is the first section of what will be a safe cycling route from Kirkbymoorside and Helmsley to Ryedale School, also connecting the communities of Nawton and Beadlam, and joining the two market towns.

Ryedale needs lots of safer paths for walking and cycling so it is really great to have made a start.
