Through learning, teaching and caring we achieve together.

MATHS HOME LEARNING

Having listened to comments from the survey, the following is a link to the NCETM maths site. (ncetm.org.uk/resources/54454)

This gives video lessons which your child may find more engaging than working through the Hamilton learning packs. The NCETM site is designed to be accessed in the order given.

REPORTS - RECEPTION TO YEAR 6

You should be able to access your child's End of Year Report via MCAS as of today. Please be aware that the comments in the reports are from before the start of 'Lockdown', such as Attendance and Assessment, so are based on where the children were in mid-March.

With regards to September and what school will look like, we are still awaiting Government guidance and looking into current research from respected bodies such as the Educational Endowment Foundation. We can use these to plan the very best provision to support the children academically and emotionally. Fingers crossed that, by September, we will be able to welcome all the children back to school.

We have attached log in instructions for your My Child At School.
The school ID number is 11394.

CARLTON LODGE REFUNDS

Carlton Lodge refunds have been returned through ParentPay which you can withdraw or allocate. Unfortunately, if you paid any funds with cash or cheque, this will be returned to you via a school cheque. This process has been started and cheques should be with you in a few days.

Year 6 dinner money credit balances have all been returned and will be on your Parentpay accounts ready to withdraw.

OUTSTANDING DINNER MONEY

We would be grateful if all outstanding dinner money and nursery fees could be paid up to date before the end of the school year. All credit balances will be carried forward to the next academic year.

YEAR 6

Parents of children in Year 6 should have received an email on Tuesday explaining our plans for Y6 Leaver's Day. Please remember to contact Mrs Aspery to say whether or not your Y6 child will be attending that day.

NEW SCHOOL WEBSITE LAUNCH

Barring any last minute hiccups, we will be launching our 'New Look' website on Friday. It will still contain all the key information (and home learning!), but hopefully on a fresh, easy to use, platform.

DESIGN A MASK COMPETITION

Don't forget to send in your competition entries to Mrs Gledhill. The closing date is tomorrow - Friday 26th June.

sgledhill@kirkbymoorside.n-yorks.sch.uk

Next week's competition is a 'Photography Competition'. Your child is invited to compose and take a photograph accompanied by a caption inspired by the Theme 'Stay Alert' (e.g. Social Distancing). Please see the attached instruction sheet. The deadline for this competition is Friday 3rd July, and all entries should be emailed to agray@kirkbymoorside.n-yorks.sch.uk

WEATHER

As we are enjoying some fantastic weather at the moment and we are spending lots of time outdoors, please can we take this opportunity to remind children to wear sensible clothing, as well as sensible shoes for outdoor play, bring a sun hat to school and also some sun cream.

JOB OPPORTUNITY

There will be a job opportunity for a school administrator to cover maternity leave from September. This will be for 18 hours per week and will be a temporary post. For further details, please see the NYCC website.
