RED NOSE DAY

We had a fabulous day last Friday raising money for Comic Relief. We had some wonderful 'Heroes and Super Heroes'. Thank you to everyone for finding the time and energy to produce some superb costumes. The fantastic amount raised was £506.34. Well done everyone.

NEW PLAYTIME EQUIPMENT

A huge thank you to the Friends of the School who bought us some new playtime equipment – the children love it!

LAY-BY

Due to re-surfacing, the lay-by near school will be closed to all vehicles from the 12th April.

MOBILE PHONES

Can we please remind everyone that children are not allowed to bring mobile phones into school.

TEAMS LOG-INS

Please note that all children's log-ins for TEAMS has been altered slightly. Instead of ending with @kirkbymoorside.n-yorks.sch.uk it will now end @kirkbymoorside-rlt.co.uk so for example, John Smith in Year 6 was 21smithj@kirkbymoorside.n-yorks.sch.uk is now 21smithj@kirkbymoorside-rlt.co.uk

You may need to log out and then log in using the new account and empty your cache if you have any issues logging in. This will take effect the first week after the Easter holiday.

Please watch out for these coming home with the children.

DINNER MONEY, NURSERY CHARGES AND EARLY YEARS SNACK MONEY

The Easter holiday would be a fantastic opportunity to log into your ParentPay accounts and top them up or pay any outstanding charges. Forgotten your log-in details? Then please email info@kirkbymoorside-rlt.co.uk and they can be resent to you.

EASTER COMPETITION

As we mentioned on last weeks newsletter, we will be running an Easter competition. Decorate your egg or make an Easter scene, take a photograph and send it in to your class teacher by 9.00 a.m. on Friday 26th March.

WHITE ROSE MATHS

White Rose Maths have teamed up with TV presenter, teacher and parent Michael Underwood to bring you a mini-series called Maths with Michael. We understand that many parents feel like maths has changed and can sometimes find it difficult to keep up to date with modern teaching methods in maths. If you feel that you would like to get more insight into how maths is taught, episodes will be released each Sunday at 4 p.m. and Wednesday at 7 p.m. for 3 weeks. Episodes will give an introduction to place value, subtraction, multiplication, division, fractions and algebra.
