

WE NEED YOU!

Get your taste buds tingling...

Send us your favourite recipes and lockdown/rainy day activities for a cook book that Friends of Kirkbymoorside School are putting together!

The recipes can be your own favourite, a family favourite or one that reminds you of someone or something special.....

This is open to anyone associated with Kirkbymoorside Primary School or Kirkbymoorside itself. We hope to include between 30-50 recipes and a few activities as well.

We would also like to receive entries from any Kirkbymoorside School children with a design for our front cover. This needs to be a fairly simple black and white drawing and one entry per child please.

E-mail cornforth16@btinternet.com with your recipes / activity ideas / front cover pictures by the 31st March.
